

**Verse 1:**

**D** **A** **F#m** **E**  
One day you told me you didn't want me in your life anymore  
**D** **A** **F#m** **E**  
One day you told me that I was just a bore  
**F#m** **B**  
It left a feeling in my heart a feeling so sore  
**D** **A - E**  
It went right down to my core It went right down to my core

**Verse 2:**

**D** **A** **F#m** **E**  
When I was born I didn't know the world  
**D** **A** **F#m** **E**  
Till I grew up and watched it unfold  
**F#m** **B**  
Fear running through my blood Feelings fill my heart  
**D** **A - E**  
It went right down to my core It went right down to my core

**Bridge 1:**

**A** **Ab**  
A bird flies across the horizon  
**G** **D**  
You don't notice it but then a feather drops  
**E**  
With our fight and our battle already gone  
**F** **G**  
None of us are perfect, but life still goes on

**Chorus:**

**A** **E** **D**  
Gotta be strong, gotta keep holding on  
**A** **E** **D**  
Like a star in the night I shone, gotta keep holding on  
**A** **E** **D**  
We've all got something to hold on to,  
**A** **E** **D**  
We've all got something? to lose,  
**A** **E** **D**  
Gotta be strong, gotta keep holding on

**Verse 3:**

**D** **A** **F#m** **E**  
Me myself and I we just wanna know  
**D** **A** **F#m** **E**  
Which way is lost then round the corner we were shown  
**F#m** **B**  
That feeling when you sing, when it makes you want to win  
**D** **A** **E**  
But the winning is already won, when you're the one man pushing on

### Bridge 2:

Watch the world rise up with your eyes on  
          **A**                                  **Ab**  
Though the lights are red and there's nothing ahead  
          **G**                                  **D**  
But we walk on and we don't need a map  
          **E**  
We only stare forwards and we never step back  
          **F**                                  **G**

### Chorus:

Gotta be strong,                          gotta keep holding on  
          **A**    **E**                          **D**  
Like a star in the night I shone, gotta keep holding on  
          **A**    **E**                          **D**  
We've all got something to hold on to,  
          **A**    **E**                          **D**  
We've all got something? to lose,  
          **A**    **E**                          **D**  
Gotta be strong, gotta keep holding on

### Break: Bm (chord)

**Bass Line: B    Db    D    Db-B-A-B**  
We think we're failing all the time (*We think we're failing*)  
Our lives a simple crime (*We think we're failing*)  
Can't have a voice only mime (*We think we're failing*)  
But looking on I see your sign (*We think we're failing*)

### B5 (F# Bass)

See me  
Hear me  
**B (F# Bass)**  
But don't be me

### Key Change Chorus:

Gotta be strong,                          gotta keep holding on  
          **B**    **F#**                          **E**  
Like a star in the night I shone, gotta keep holding on  
          **B**    **F#**                          **E**  
We've all got something to hold on to,  
          **B**    **F#**  
We've all got something to lose,  
          **E**  
Gotta be strong, gotta keep holding on                          gotta keep holding on  
          **B**    **F#**                          **E**
