

Capo on 2:

Verse 1:

C **G** **Em** **D**
One day you told me you didn't want me in your life anymore
C **G** **Em** **D**
One day you told me that I was just a bore
Em **A7**
It left a feeling in my heart a feeling so sore
C **G - D**
It went right down to my core It went right down to my core

Verse 2:

C **G** **Em** **D**
When I was born I didn't know the world
C **G** **Em** **D**
Till I grew up and watched it unfold
Em **A7**
Fear running through my blood Feelings fill my heart
C **G - D**
It went right down to my core It went right down to my core

Bridge 1:

G (**F#mBass**)
A bird flies across the horizon
F **C**
You don't notice it but then a feather drops
A7
With our fight and our battle already gone
Eb **F**
None of us are perfect, but life still goes on

Chorus:

G **D** **C**
Gotta be strong, gotta keep holding on
G **D** **C**
Like a star in the night I shone, gotta keep holding on
G **D** **C**
We've all got something to hold on to,
G **D** **C**
We've all got something to lose,
G **D** **C**
Gotta be strong, gotta keep holding on

Verse 3:

C **G** **Em** **D**
Me myself and I we just wanna know
C **G** **Em** **D**
Which way is lost then round the corner we were shown
Em **A7**
That feeling when you sing, when it makes you want to win
C **G - D**

But the winning is already won, when you're the one man pushing on

Bridge 2:

G (F#mBass)

Watch the world rise up with your eyes on

F C

Though the lights are red and there's nothing ahead

A7

But we walk on and we don't need a map

Eb F

We only stare forwards and we never step back

Chorus:

G D C
Gotta be strong, gotta keep holding on

G D C
Like a star in the night I shone, gotta keep holding on

G D C
We've all got something to hold on to,

G D C
We've all got something to lose,

G D C
Gotta be strong, gotta keep holding on
