

Take a Breath, Take a Step!

Verse 1:

Caitlin B: I woke up in the morning but it was still dark
Everything had gone, everywhere i looked

Evie (Y2): Life can be completed, it can be hard
You have to believe in yourself

Bridge 1:

Songwriters: The touch of your hands, the look with your eyes

Holly: I know what i saw, I saw the sunrise,

Rachel: Take a breath take a step:

Chorus:

Songwriters: Take a breath, take a step, don't be shy throw your fears away
Take a breath, take a step, don't be shy throw your fears away

Verse 2:

Isla: I saw the sunrise, and I just gave up, everything was different, Who am I?

Songwriters: I opened my eyes, I saw clouds made up. Who am I, Who am I?

Bridge:

Songwriters: The touch of your in hands, the look with your eyes

I know what I saw, I saw the sunrise,

Evie (Y4): Take a breath take a step:

Take a breath, take a step, don't be shy through your fears away

2 Bar Inst

Middle 8:

Ruby:

Life can be tough, life can be cruel,
Life can be rough when you get down and dark

Lisa:

You can be wrong, life can be strong
You can be anyone and you'll always have someone

Freya:

Take a breath take a step!

Take a breath take a step!

Front Line of Songwriters:

Take a breath take a step!

Take a breath take a step!

All: Take a breath, take a step, don't be shy throw your fears away

Take a breath, take a step, don't be shy throw your fears away

Bridge

Bobbie: The touch of your hands, the look with your eyes

Songwriters: I know what I saw, I saw the sunrise

Gemma: Take a breath take a step!

All: Take a breath, take a step, don't be shy throw your fears away

We'll be standing right beside you always

Take a breath, take a step, don't be shy throw your fears away

We'll be standing right beside you always

All: Take a breath, take a step, don't be shy throw your fears away

We'll be standing right beside you always

Take a breath, take a step, don't be shy throw your fears away

We'll be standing right beside you always
